

Indice

N.B. Sono indicizzati i nomi di persona, i luoghi e i titoli di opere anonime. Ai nomi di personaggi segue «pers.» fra parentesi. I poeti antichi sono sotto il nome («Jaufre Rudel», non «Rudel, Jaufre»).

Similmente anche i sovrani sono elencati per nome: il patronimico o casato reca solo il rimando (>). I manoscritti, ordinati per luogo e segnatura sono preceduti da un punto (•)
