

PHILIPPO AVSTRIACO REGI CATHOLICO ET INVICTO.

Io. Petrus Aloysius Prænestinus.

M Musicæ artis utilitas, & voluptas maximum præter cæteras humanas disciplinas sit beneficium, & sacrorum voluminum vetustate atque auctoritate in primis comprobata, receptaq. intelligatur, meritò eius vsus ad res sacras, & diuinas præcipuè traducendus videtur. Quapropter ego, qui tot annos in hac arte (si alieno magis, quàm meo iudicio de me, acquiescere debeo) non omnino infœliciter versatus essem, faciendum mihi putavi, vt grauissimorum, & religiosissimorum hominum secutus consilium, ad rem in Christiana Religione omnium maximam, & diuinissimam, hoc est, sanctissimum Missæ sacrificium nouo modorum genere decorandum, omne meum studium, operam, industriamq. conferrem.

Elaboravi ergo, quanta máxima potui, cura, has Missas ad Dei Opt. Max. cultum cohonestandum, à quo mihi munus hoc & beneficium, quantumcunq. est, tributum, & impartitum agnosco. Atque hos ingenij mei conatus, non quidem primos, sed tamen fœliciores (vt spero) tuæ Maiestati potissimùm dicandos existimaui, quæ & à Fide Catholica hæreditarium cognomen accepit, & Orthodoxæ Religionis integritatem studiosissimè tuetur, & rerum sacrarum, diuinisq. sacrificij cultum excellentium Musicorum opera ministerioq. amplificat, & exornat. Accipe itaq. Rex potentissime, ac religiosissime hos conatus, meæ perpetuæ erga tuam Maiestatem obseruantiaæ testes, & accipe ea animi tui magnitudine planè regia, qua tenuiorum munera consueuisti. Qui sanè conatus, si placuerint, amplissimum fructum putabo, tuæ Maiestatis iudicio satisfecisse: si displicuerint, animum nihilominus meum & studium gratum magnanimo, atq. optimo Regi fore non dubito, quem Deus regnorum dator, honorumq. distributor saluum, & incolumem Reipub. Christianæ quàm diutissimè seruet, ac honestissimorum votorum compotem faciat. Vale, singulare Christiani nominis decus, ac propugnaculum.
